

**NHCI Job Posting
September 6, 2018**

**Family Practice Physician
40 Hours**

Neighborhood Health Clinics, Inc. is accepting applications for a Family Practice Physician to provide primary care to patients following established standards, practices, and protocols.

- Manages the acute and long-term medical needs of NHCI patients by performing physical examinations and preventative health measures within prescribed guidelines:
 - Reviews patients' records, charts, and other pertinent information.
 - Orders, interprets, and evaluates diagnostic tests to identify and assess patient's clinical problems and health care needs.
 - Orders and/or administers medications and injections.
 - Formulates plan and prognosis based upon patient's condition.
 - When appropriate, discusses case with other health professionals to prepare comprehensive patient plan.
- Ensures that patients receive appropriate education and referrals:
 - Interviews and advises patients regarding health maintenance, illness prevention, normal behavior, social and physical growth/development.
 - Efficiently manages time and resources utilizing nursing and social work staff for general patient education, when appropriate.
 - Recommends community resources to meet patient and family needs.
- Provides monitoring and continuity of care between Clinic visits as required:
 - Provides care coordination of all hospitalized NHCI patients. Assures that appropriate coverage is arranged with the Fort Wayne Medical Education Family Practice Residency Program or another responsible Physician in his/her absence.
 - Participates in the on call rotation as needed.
 - Provides telephone consultation including follow-up and triage calls.
 - Serves as a Collaborator to assigned Nurse Practitioners.
- Records physical findings and other pertinent information in patient's electronic health record within the timeframe established by Quality Assurance Program's guidelines for timely documentation.
- Participates in Quality Assurance activities as assigned:
 - Works closely with VP/Chief Medical Officer to ensure quality patient care.
 - Participates in peer review activities.
 - Remains current in advanced practice changes within specialized area and, where relevant, translates these findings into clinical practice.
- Works closely with VP/Chief Medical Officer and administrative staff to ensure individual provider productivity goals are achieved.
- Have an affinity for working with culturally and economically diverse patient populations.

Full time position with benefits. Position requires a Medical Degree from an accredited Medical School. Experience in a clinical setting is preferred. Candidates must possess an Indiana State Medical license, CSR, and DEA license. Candidates must be CPR certified. Board certification or board eligibility in a primary care specialty. Interested candidates should send a resume along with a cover letter to NHCI Human Resources Department at: PO Box 11949, Fort Wayne, IN 46862 or by email at HRDEPT@NHCI.ORG or fax (260)969-2911. Neighborhood Health Clinics is an Equal Opportunity Employer.
