

**Neighborhood Health Job Posting  
August 1, 2019**

**Vice President / Chief Medical Officer  
32 - 40 Hours**

Neighborhood Health is accepting applications for a Vice President/Chief Medical Officer to be responsible for the clinical performance of Neighborhood Health's medical services, supervise the medical providers and the clinical aspects of care provided by staff, and provide direct medical services in accordance with credentialing/licensing standards. As a member of the Executive Management Team, assist the President/CEO in the successful growth of the organization. In collaboration with other Vice-Presidents, act as President/CEO in his/her absence.

The Vice President/Chief Medical Officer (VP/CMO) is responsible for the supervision of all medical and optometry providers and the respective departments. The VP/CMO will assist in the management of acute and chronic medical needs of Neighborhood Health patients while ensuring pertinent information is recorded timely.

The VP/CMO is responsible for providing the leadership and vision necessary to ensure the successful growth and sustainability of the medical and optometry programs by developing and adapting to the ever changing needs of the community that Neighborhood Health serves. The VP/CMO also serves as an advocate and liaison for Neighborhood Health as appropriate while negotiating and managing agreements with outside organizations.

32 to 40 hour position with benefits. Position requires a Medical Degree from an accredited Medical School. Experience in a clinical setting is preferred. Candidates must possess an Indiana State Medical license, CSR, and DEA license. Candidates must be CPR certified. Board certification or board eligibility in a primary care specialty. Interested candidates should send a resume along with a cover letter to NHC Human Resources Department at: PO Box 11949, Fort Wayne, IN 46862 or by email at [HRDEPT@NHCI.ORG](mailto:HRDEPT@NHCI.ORG) or fax (260)969-2911. Neighborhood Health Clinics is an Equal Opportunity Employer.
